

"Contemporary Approaches for Self-Expression"

Acrylics with Joan Fullerton

"Invitation to Imagine" by Joan Fullerton

"Song of Tomorrow" by Joan Fullerton

October 12 – 15, 2023

Cost: NBAL Members \$465 | Non-Members \$500 | \$100 Deposit

Join us for this 4-day hands-on workshop as we jump into a dynamic "playground of innovation" full of inspiring demonstrations, lectures, encouragement, and practice. You will learn how to coax an image out of an abstract background, and how to paint non-objectively utilizing only the power and intricacies of shape, color, and line. You will explore them all by working intuitively and embrace and respond to what shows up. Working in a series will help reinforce the concepts.

Joan is especially gifted in helping students gain more freedom in the creative process and discover their own unique artistic voice. She believes that people are more open to learning and inspiration when they are having fun, so her workshops are filled with laughter and lightness. A multitude of approaches and techniques will give beginners encouragement and confidence, while more advanced students will benefit from Joan's insightful solutions to their artistic challenges.
