

Exploring the Texture of Glass in Transparent Watercolor

With Monika Pate

"Cherries in a Bowl" by Monika Pate

"Bouquet of Lilies" by Monika Pate

June 2-4, 2023

Cost: NBAL Members \$460 | Non-Members \$495 | \$100 Deposit

Glass and crystal objects often seem like a very challenging objects to paint, however they can be simplified into shapes. During this 3-day workshop, Monika will lead students on an exploration of a variety of techniques that allow to create realistic glass objects in transparent watercolor. A simple still life set up will serve as an example to learn how to approach the variety of shapes, colors, values and texture of glass and reflective surfaces.

Our accomplished artist-instructor, Monika Pate, will provide step-by-step demonstrations and explanations of all the techniques. Students will receive individual attention during the entire workshop.

She will also provide reference materials, additional detailed information, and a supply list prior to the workshop. The class will work from reference photographs, which will be provided, but students are also encouraged to bring their own reference materials if they prefer.

Make checks payable to NBAL and be sure to include which workshop you will be taking along with a phone number and email address in the envelope with your check. Mail your registration and check to: New Braunfels Art League, P.O. Box 310325, New Braunfels, Texas 78131-0325.

For questions, email: Larry Johnson (drljohnson@gmail.com) or call mobile 512-740-6205.
