

Two-Part Online Watercolor Workshop (And Viewing Party in Bower) With Tom Lynch

"Hill Country Sunset" by Tom Lynch

Watercolor Magazine cover

Cost: Just \$110!! Open to All!
November 10-11, 2023

Acclaimed artist Tom Lynch has developed a six-hour, two-day workshop just for the New Braunfels Art League that takes the student through a step-by-step process to create a finished painting. In the first session you paint parts of the painting on separate sheets of paper, following Tom's lead. You will learn new and different watercolor techniques easily with this approach. In the second session, you'll put all the parts together and learn the principles of focal point value change, unity factors, and much more while you create a finished work of art. Students will be provided with the photo reference, a preliminary sketch, and color references in order to accomplish a beautiful finished painting.

This is an ONLINE Workshop, so you can attend from anywhere with an Internet connection — but for those who'd prefer to pass off the technical aspects to others and be part of a group viewing the workshop in Bower, painting and sharing ideas with friends and colleagues in the same room as you listen to and follow Tom, you are invited to participate with us in Bower as well! The sessions are taped so you can watch them again from home later while you stop, screenshot, and rewind your way to success.

If you like COLOR, CONTRAST, SUNLIGHT, & SHADOW then this class is for you.

****SPECIAL OFFER**** *Those who register before May 30, 2023, and attend one of the group sessions in Bower, will each receive a free art print (14x19) from Tom worth \$65! (Unfortunately, these art prints cannot be mailed – you must attend at least one viewing session in Bower to collect your print.)*

For questions, email: Larry Johnson (drljohnson@gmail.com) or text mobile 512-740-6205.

Workshop fees are refundable until 30 days before the workshop.

Workshop attendees must be 18 and older.
